

**SAN DIEGO ROOFING CONTRACTORS ASSOCIATION**

### *From the President...*

Have you ever installed a Cool Roof System on a building with a hard lid sealing? If you have, or plan to, you do not want to miss this upcoming SDRCA dinner meeting on February 19<sup>th</sup>.

John Pohorsky, from GAF will present a manufacturer's perspective concerning Cool Roofs and condensation issues. GAF has done extensive research on this phenomenon and it will be interesting to see what they have found out.

The build a roof committee will outline their plans for the SDRCA's involvement in projects for 2014. Participation in these projects will help meet the criteria to maintain the SDRCA's Certified Roofing Contractor Status.

If any members of the association want to contribute an article to publish in the SDRCA Newsletter that they believe would be of interest to our community, it would be greatly appreciated. Also, if you have a topic that you want addressed at the dinner meetings let us know.

As a reminder, many membership renewals are due. Additionally, please encourage any contractor or vender that is not a member to join our association.

I am looking forward to seeing everyone on the 19<sup>th</sup>.

Fred Bouman, SDRCA President

# Can Cool Roofs Cause Condensation? Yes!

In 2012 the SDRCA was introduced to this concept of Cool Roofs actually causing condensation at our May Dinner Meeting. As we scratched the surface on this topic in 2012, further information is available now in 2014 to help us understand this problem, and possible solutions. We will take a more in-depth look at this issue now that more data is available.

John Pohorsky, GAF, will be speaking to us on the issue of Condensation as it relates to Cool Roofs. John Pohorsky has been in the roofing industry since graduating from college in 1983. Currently John is the Director of Codes and Testing for GAF Materials Corporation responsible for overseeing the code compliance for all their roofing products and assemblies throughout the United States and Canada.

If you wish to maintain the SDRCA Certified Roofing Contractor status, this meeting will meet the criteria set forth in the bylaw amendment passed at our November 2013 Annual Meeting.

**The San Diego Roofing Contractors' Association (SDRCA) has been serving the Roofing Industry for over forty years.**

**Times, techniques and technology has changed, but the SDRCA Core Values, Code of Ethics, Mission and Vision Statement has not.** The 2014 Board of Director Team is committed and dedicated to serving our members and this association with new education, resources, training and savings for the purpose of helping our members continue a tradition of profitability and professionalism in our industry.

**It is the intent of this Association to establish and maintain professional standards and practices in the Roofing Industry through education and public awareness.** Our members are committed to excellence and they use the benefits offered by the Association to help obtain this goal. The SDRCA encourages you to become fully aware of the potential problems of dealing with an unlicensed, uninsured roofer.

The SDRCA was formed in 1957 to preserve and promote the art of roofing application. SDRCA members recognize that after 52 years of innovation in roofing technology and Application, the following goals are as meaningful and relevant today as they were yesterday and will be tomorrow.

The SDRCA remains a strong supporter of open competition and the free enterprise system; indeed, this competitive environment led to the success of its members. SDRCA members recognize that the perpetuation of such a healthy business environment is greatly influenced by their own professional conduct. The SDRCA supports the following practices, and encourages them in its members.

### **SDRCA Member Code of Ethics:**

1. To conduct my business in an ethical manner, so that I will reflect credit and confidence by the public in our industry as well as my own business.
2. To consider my vocation worthy and dignified and thus affording a distinct opportunity to serve society.
3. To hold that the exchange of my goods and service for a fair profit is legitimate and ethical, provided all parties in the exchange are benefited.
4. To elevate the standards of my vocation by exercising a high degree of care in the execution of all work, and correct any defective work as a direct challenge to my ability and integrity.
5. To protect and defend the public from fraudulent and unethical practices affecting our industry.
6. To cooperate with the association in its effort to better conditions in the industry, so that public, management, capital and labor will all mutually benefit.
7. To operate my business in accordance with the rules and regulations of constituted authority at all levels and in a manner which will leave no doubt as to my loyalty to my country and its ideals and fundamental principals.

### **The SDRCA Mission Statement:**

The mission of the San Diego Roofing Contractors' Association is to establish and maintain professional standards and practices in the roofing industry through education and public awareness.  
Adopted January 1997

***To elevate...To protect and defend...To cooperate...so that all benefit.***

## Bylaw Amendment Accepted At Annual Meeting

### ARTICLE 4. MEMBERSHIP

**Qualification.** This corporation shall have three classes of membership, denoted as Regular Members, Associate Members, and Certified Contractor Members. Regular Members shall be limited to an individual, partnership, corporation or other entity holding an active C-39 contractor's license issued by the State of California (or any successor permit or license) and who has an office or other business presence in San Diego County, and provides current certificates of Liability and Workers' Compensation insurance policies. Associate Members shall be limited to an individual, partnership, corporation or other entity, which is engaged in activities which are related to, or associated with, the roofing contracting business in San Diego County, and who are approved for membership by the Board. Certified Contractor Members shall be limited to an individual, partnership, corporation or other entity holding an active C-39 contractor's license issued by the State of California (or any successor permit or license) and who has an office or other business presence in San Diego County, provides current certificates of Liability and Workers' Compensation insurance policies, and meets the following requirements:

**A. Community Service** – At least 2 community service projects must be performed annually, or, participate in the SDRCA Annual Build-A-Roof project. To receive credit for a community service project other than the SDRCA Annual Build-A-Roof, a news article, press release, thank you letter, or other types of evidence shall be submitted to the SDRCA to receive credit.

**B. Association Participation** - Each member must attend at least half of the SDRCA Dinner Meetings held each calendar year. Sending a representative from the member's company will qualify for an attendance.

**C. Education** - Each member must provide the SDRCA with at least 4 documents of proof of attending or employees attending an educational program, Attending SDRCA Dinner Meetings does not satisfy this requirement. Examples of an education program that meets this requirement would be any training or educational program the SDRCA provides, or programs by other roofing industry organizations, such as Manufacturer Certifications, Supplier Demonstrations, WSRCA programs, NRCA programs. Other types of education can be submitted to the membership committee for review and may be considered a valid act of education.

**D. Safety** - Each member must attend at least two (2) of the safety programs provided by the SDRCA, or, provide evidence of the member's safety program. A current and ongoing safety program will meet this requirement.
