Dear SDRCA Member,

March 1, 2019

The SDRCA Board of Directors is proud and excited to introduce the Roger D. Urbach Memorial Scholarship Fund. Its purpose is to grant multiple scholarships of various amounts every year to members, members' immediate family, members' employees, and immediate family of members' employees in memory of Roger D. Urbach, founder of Urbach Roofing and past President of the SDRCA. The Scholarship Program will provide financial assistance to qualified SDRCA members to foster their professional development through continuing education. Interested candidates will submit an official Scholarship Application Form to the SDRCA in order to be considered for a scholarship award. The address for submission of scholarship applications is as follows:

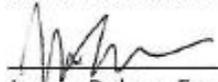

**SDRCA**  
**Attn: Scholarship Committee**  
**P.O. Box 1328**  
**Solana Beach, CA 92075**

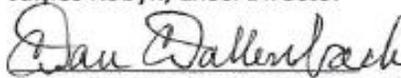

The Roger D. Urbach Memorial Scholarship Fund will also complement the Build-A-Roof Program as the means for the SDRCA to continue its support, education and development of the San Diego roofing community. In this way, The Roger D. Urbach Memorial Scholarship Fund will enhance the SDRCA's vision to make a lasting impact in the lives of qualified members, their employees and their families.

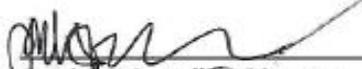

The Fund will be largely supported through the annual SDRCA golf tournament; therefore the amount of available funds depends greatly on the financial success of the tournament. Members are encouraged to continue to promote and support this important annual event. Beyond participating in the annual golf tournament, we encourage members to make a separate donation to the scholarship fund. All donations to this cause are greatly appreciated and will help build the fund for additional scholarship awards.

If you have questions, comments or suggestions regarding the scholarship program, please contact any member of the SDRCA Board of Directors. We look forward to a dynamic and successful 2019 for the San Diego Roofing Contractors Association. Finally, we have enclosed a copy of the Scholarship Application to review and use for informing your organization and any qualified candidates of the program. Additional copies of the scholarship program are available to download at the SDRCA website: <http://www.sdrca.com/>.
