

SAN DIEGO ROOFING CONTRACTORS ASSOCIATION

From the President...

NOAA’s Climate Prediction Center (CPC) and the International Research Institute for Climate and Society (IRI) continue to call for El Nino conditions to develop this fall or winter (Northern Hemisphere).

Though currently ENSO-neutral, we remain under an El Nino Watch, indicating conditions are favorable for El Nino over the next six months — 60% odds September through November and 70% odds during 2018-19 winter.

Election of Directors

The San Diego Roofing Contractors' Association (SDRCA) has been serving the Roofing Industry for over forty years.

Times, techniques and technology has changed, but the SDRCA Core Values, Code of Ethics, Mission and Vision Statement has not. The 2018 Board of Director Team is committed and dedicated to serving our members and this association with new education, resources, training and savings for the purpose of helping our members continue a tradition of profitability and professionalism in our industry.

It is the intent of this Association to establish and maintain professional standards and practices in the Roofing Industry through education and public awareness. Our members are committed to excellence and they use the benefits offered by the Association to help obtain this goal. The SDRCA encourages you to become fully aware of the potential problems of dealing with an unlicensed, uninsured roofer.

The SDRCA was formed in 1957 to preserve and promote the art of roofing application. SDRCA members recognize that after 60 years of innovation in roofing technology and application, the following goals are as meaningful and relevant today as they were yesterday and will be tomorrow.

The SDRCA remains a strong supporter of open competition and the free enterprise system; indeed, this competitive environment led to the success of its members. SDRCA members recognize that the perpetuation of such a healthy business environment is greatly influenced by their own professional conduct. The SDRCA supports the following practices, and encourages them in its members.

SDRCA Member Code of Ethics:

1. To conduct my business in an ethical manner, so that I will reflect credit and confidence by the public in our industry as well as my own business.
2. To consider my vocation worthy and dignified and thus affording a distinct opportunity to serve society.
3. To hold that the exchange of my goods and service for a fair profit is legitimate and ethical, provided all parties in the exchange are benefited.
4. To elevate the standards of my vocation by exercising a high degree of care in the execution of all work, and correct any defective work as a direct challenge to my ability and integrity.
5. To protect and defend the public from fraudulent and unethical practices affecting our industry.
6. To cooperate with the association in its effort to better conditions in the industry, so that public, management, capital and labor will all mutually benefit.
7. To operate my business in accordance with the rules and regulations of constituted authority at all levels and in a manner which will leave no doubt as to my loyalty to my country and its ideals and fundamental principals.

The SDRCA Mission Statement:

The mission of the San Diego Roofing Contractors' Association is to establish and maintain professional standards and practices in the roofing industry through education and public awareness.
Adopted January 1997

To elevate...To protect and defend...To cooperate...so that all benefit.

BUILD-A-ROOF

As many of you know, the SDRCA is committed to charitable activities in San Diego.

This year we are installing an APOC Armor Flex Silicone system on the structures at Canine Companions for Independence. The project consists of some repairs, including adding drains, followed by the application of the system. APOC will be training the participants on the proper way to install the APOC #585 Armor Flex Silicone system. This will be hands on training for you and/or your employees.

The project is currently underway and the estimated value of the project is approximately \$100,000.00.

Thank you to Dave Britton of APOC for donating most of the materials and equipment to install the application. Thank you to Dan Dallenbach of Roofmaster for their generous donation of additional equipment and materials. Thank you to Sid Scott (Premier Roofing of CA, Inc.), Wayne Sorensen (Top Line Roofing), Troy Parrott (San Diego County Roofing), David Susi (RSI Roofing), and Tiffany Suwa (Eberhard Benton Roofing) for donating labor for the repairs and participating in the APOC training.

SDRCA Board of Directors

It is that time of year again when we start thinking about forming the Board of Directors for 2019. If you would like to serve on the SDRCA Board of Directors, please let us know.

We are in need of additional contractors to participate and fill the Executive positions on the Board. Per our bylaws, only contractors may serve as President, Vice President, Secretary, and Treasurer.

If you would like to nominate someone you feel would be an excellent addition to the SDRCA Board of Directors, we would love to hear from you.

Associate members are also requested to serve on the Board and fill the various committees. Serving is not too time consuming, your ideas and influence in the industry are much needed. We hope you consider serving.

52ND Annual SDRCA Golf Classic

The 52nd Annual SDRCA Golf Classic was held on Monday, August 27th at the Lomas Santa Fe Country Club.

Thank you to the sponsors that helped make this all possible and a great success for the SDRCA.

Certified Contractor Program

In order for our contractor members to achieve Certified status, they must meet the following criteria each calendar year.

A. Community Service – At least 2 community service projects must be performed annually, or, participate in the SDRCA Annual Build-A-Roof project.

B. Association Participation - Each member must attend at least half of the SDRCA Dinner Meetings held each calendar year.

C. Education - Each member must attend at least 4 industry educational programs, seminars, or trainings.

D. Safety - Each member must attend at least two (2) of the safety programs provided by the SDRCA, or, provide evidence of the member's safety program.

The SDRCA keeps attendance records for our Dinner Meetings so there is no need to submit the attendance to achieve item B.

If you participate in the SDRCA Build-A-Roof you do not need to submit any information to achieve item A.

Please submit any documentation on educational programs you or your employees have attended to achieve item C.

Please submit a brief summary of your safety program to achieve item D.

The SDRCA will provide you with professional quality glossy inserts for your bid packets or to use as you see fit. The inserts are designed to inform your potential customer of your commitment to the roofing industry, your commitment to best business practices, and your commitment to community service in San Diego.

If you have any questions, please contact the SDRCA office.
